PRODUCT INFORMATION

 \triangle

WARNING: Risk of damage to the K-306-KS valve assembly. When using the K-306-KS valve in a fiberglass or acrylic installation, use

the thin wall installation kit (88526).

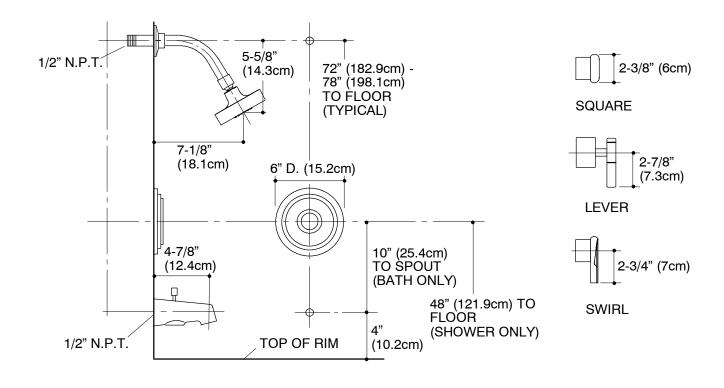

INSTALLATION NOTES

Install this product according to the installation guide.

Avoid cross-flow conditions. Do not install shut-off device on either valve outlet.

Cap shower outlet if deck-mount spout, diverter, or handshower is connected to spout outlet.

Install straight pipe or tube drop of 7" (17.8cm) to 18" (45.7cm) with single elbow between valve and wall-mount spout.
