

modular industrial large outdoor

DESCRIPTION

Wall mounted specification grade luminaire. IP67 rated. Inner assembly constructed of extruded aluminum with a tempered glass cover. A double coat of epoxy primer and polyester powder-coating mean durability even in harsh outdoor conditions. The outer decorative cover is constructed of stainless steel. The brushed steel finish includes silver luminaire and has been electrophoretically coated which not only enhances the beauty of the finish, but also increases surface durability and helps to protect against damaging environmental conditions. The bronze finish includes bronze luminaire and utilizes a polyester powder coat paint to help protect against damaging environmental conditions. Mounts vertically only. Available in two fluorescent lamping options (lamps included): (2) 39 watt mini bi-pin base T5 high output linear fluorescent lamps, or (2) 25 watt bi-pin base T8 linear fluorescent lamps. Emergency ballast option also available. 120v or 277v.

WEIGHT

29.40lb / 13.34kg ±
