

led illuminated monorail surface magnetic transformer 300w 120v/12v

DESCRIPTION

Encased in a satin nickel metal housing and mount to any standard ceiling electrical box. This surface magnetic transformer is encased in a finished housing and can be used to power lamps totalling up to 300w and is equipped with a fast-acting secondary circuit breaker that will safely turn off the the system should a short occur. Once the short has been removed the breaker can be reset. Dimmable with a 600w low-voltage magnetic dimmer.
