Automotive / Dental / Healthcare / Industrial Safety / Laboratory

One Powerful Performer.

Lightly powdered to go on easily, this sturdy examination glove is fully textured for professionals who need a firm grip in wet or dry conditions. Greater thickness and a longer cuff offer coverage over the wrist and forearm, providing increased protection where it is most needed. **PowerGrip®** gloves meet or exceed proposed FDA and current ASTM standards for exam glove quality and performance.

- Fully textured for a secure grip in wet or dry conditions
- Longer than typical latex examination gloves
- Lightly powdered with absorbable cornstarch (USP) for easy donning
