SANDING BOARDS

The three most popular hand held sanding boards use standard size abrasive paper. Lever style clamps hold paper tightly in place. Smooth, hardwood handles are contoured for comfort and mounted on a sturdy rust-proof, aluminum base with cushioned bottom. Ideal for wet or dry sanding on any surface.

89900 - Uses standard cut abrasive paper, 2 ¾˝ x 8˝

89910 - Uses standard cut abrasive paper, 2 ¾˝ x 11˝

89920 - Uses standard cut abrasive paper, 2 ¾˝ x 17 ½˝

89800

5˝ SANDING BLOCK

89800 - Uses standard 3˝ x 8˝ sandpaper. Easy to affix paper to steel spikes molded into block. Holds paper securely. Use with wet or dry sandpaper on flat or curved surface.

NIB FILES

Removes imperfections on paint jobs, such as dirt and runs, without respraying. Saves hours of labor. High quality, precision ground files assure uniform results without gouging. Easy to use – requires no special skill. Works on both primer coats and top coats. Use the coarse nib file for heavy imperfections. Use the fine nib file for tiny imperfections. For use on dry paint surfaces only.
