

LIMITED LIFETIME WARRANTY ELIZABETHAN CLASSICS CAST IRON LEGTUBS

What This Warranty Covers

Elizabethan Classics (E.C.) warrants, to the initial consumer purchaser, the Cast Iron Legtub to be free of manufacturing defects in materials or workmanship for the lifetime of the tub, provided: (1) the tub has not been moved from its original place of installation; (2) the tub has not been subjected to abuse, facility maintenance, accidental or miscellaneous damage; (3) the tub was installed according to the Elizabethan Classics instructions provided; and (4) the tub has not been modified in any manner.

What This Warranty Does Not Cover

Damage to the product that has been caused by improper installation, accident, misuse (whether caused by the owner, a contractor, service company or others) or abuse (including the use of harsh or abrasive cleansers) regardless of whether such damage has been incurred during handling or shipping, is not covered by this warranty.

This warranty specifically does not cover local building code compliance. The purchaser of Elizabethan Classics tub should determine from a local building and/or plumbing official assurance of local code compliance prior to installation, since building codes vary considerably across the country. This warranty also does not cover any consequential or incidental damages attributable to a tub defect or to the repair or exchange of a tub, all of which are expressly excluded from this limited warranty. (Some states do not allow the limitation or exclusion of incidental or consequential damages, so this limitation or exclusion may not apply to you.)

What the Period of Coverage is

This lifetime warranty remains in force from the date of the initial purchase.

What the Company Will Do to Correct Problems

If any legtub supplied by E.C. is shown to have a manufacturing defect and within the period specified an inspection by an agent of E.C. confirms such defect, E.C. will repair, or at its option, exchange the tub for a like model without charge, excluding labor and other costs for removal or reinstallation.

Who is Covered

This warranty is exclusive and covers only the original consumer/purchaser of this legtub, and excludes industrial, commercial, or business use of the product.

How to Get Warranty Service

To obtain warranty service, please bring your proof of purchase (original sales receipt) to the store or contractor that sold or installed your tub.

How State Law Relates to the Warranty

This warranty gives you specific legal rights, and you may also have other statutory rights that vary from state to state.
