Not your average Joe! The Snow Joe® Plus 324E electric snow shovel is a compact yet lightweight tool that is ideal for quick snow pickups on patios, decks, steps and sidewalks. Packed with a powerful 10-amp motor, the Snow Joe® Plus moves up to 300 pounds of snow in just one minute of use! Say goodbye to the gas can, the oil and the backbreaking shovel. The Snow Joe® Plus makes snow removal quick, easy and effortless without polluting the atmosphere with toxic emissions.

Featuring a durable 2-blade paddle auger, the Snow Joe® Plus throws snow up to 20 feet, clearing a path 11-inches wide and up to 6-inches deep with each pass. If you've been pounded with more than a 6-inch snowfall, you can still use your Snow Joe® Plus. Start by removing snow off the top layer and then work your way down until you have a clear path to the ground. Engineered with a patented back-saving handle, the Snow Joe® Plus gets the job done without the strain and fatigue associated with the labor-intensive shovel. Plus, it's equipped with a 2 W LED light, so you can clear paths anytime, day or night. Weighing only 14 pounds, the Snow Joe® Plus can be easily transported onto your deck, patio or steps, and is compact enough to fit inside a hall closet for convenient access. Backed by Snow Joe's full 2-year warranty, the Snow Joe® Plus is sure to weather many storms and is the tool you'll depend on for quick and easy snow removal.
