

## Epic Series EPS124

### Features

Contemporary wall mount sconce is tall and dramatic and includes frosted white glass lens with a polished chrome free formed base. Sconce is ADA compliant. Enclosed top and bottom shields the lamp from view. Fixture mounts to standard junction box (not included).

### Construction

Full back plate is die-formed of 20-gauge steel. Decorative glass assembly includes a one piece free formed base that is 20-gauge CRS with frosted glass diffuser. Standard mounting holes and hardware are included. Power supply connections must be made inside a junction box (not included).

### Finish

Back plate is finished in lighting grade white baked gloss enamel paint. Decorative base has polished chrome finish with a clear lacquer top coat.

### Diffuser

Hand blown .100" frosted white glass diffuser retained by one screw at top and clip at bottom.

### Electrical

This unit is wired with UL listed electronic high power factor ballast for 120V-277V 50/60 Hz AC operation.

### Lamping

For use with 1/24 watt 2G11 4 pin biax lamp; supplied by others.

### Certification

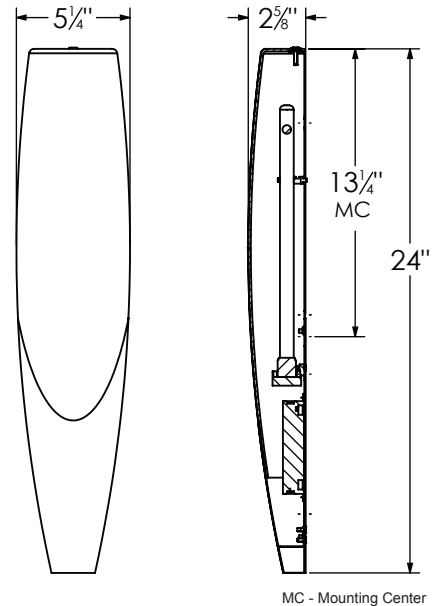

All fixtures are cULus listed for damp locations.
