

MT SERIES CABINETS

The MT Series by Robern provides features that assist in the day-to-day regimen of dressing and grooming. MT Series cabinets come in 16", 20" and 24" sizes and their modular design enables you to create virtually unlimited designs and sizes. All MT Series cabinets measure 30" in height and are available in depths of 4", 6" and 8". With strong, aluminum-framed construction, MT series cabinets will provide rust-free service for many years.

MT SERIES CABINETS

OPTIONAL SAFETY LOCKBOX

Offering secure storage for personal items and other valuables, this safety lockbox keeps prescriptions and other medicines out of the reach of children.

ELECTRICAL OPTIONS

Electrical options provide enhanced features for the MT Series. Two outlets provide power for items such as electric shavers and toothbrushes. A mirror defogger is also included. All electrical components are UL listed for use in damp locations.

ARCH OR FLAT-TOP MIRROR EXTERIOR OPTIONS

MT Series cabinets are available with an arch or a flat-top design to accommodate individual preferences.

PATENTED SAFESEAL™ GASKET

Designed without sharp corners, this gasket ensures quiet, moisture- and dust-resistant operation.

PATENTED SWING-OUT MIRROR

This mirror offers 2x magnification.

SOLID ALUMINUM CONSTRUCTION

Aluminum resists the intense moisture of the bathroom environment, ensuring long-lasting beauty.

ADJUSTABLE SHELVES

Adjustable clear glass shelves provide the flexibility needed to accommodate a variety of bathroom necessities.

170° HINGE SWING

Adjustable heavy-duty concealed hinges open a full 170°, offering convenient three-way adjustments as well as one of the widest swings available in a self-closing hinge. Right- or left-hinge adjustability.

MT SERIES CABINETS

STACK FILLERS

MT Series Stack Fillers allow cabinets to be stacked vertically. The filler adds $\frac{5}{8}''$ to the height of the combined cabinets.
