DATE STAMP

Drawer Glides are marked: LEFT, RIGHT and FRONT

Les mentions LEFT (gauche) et RIGHT (droit) sont indiquées sur les coulisses de tiroirs

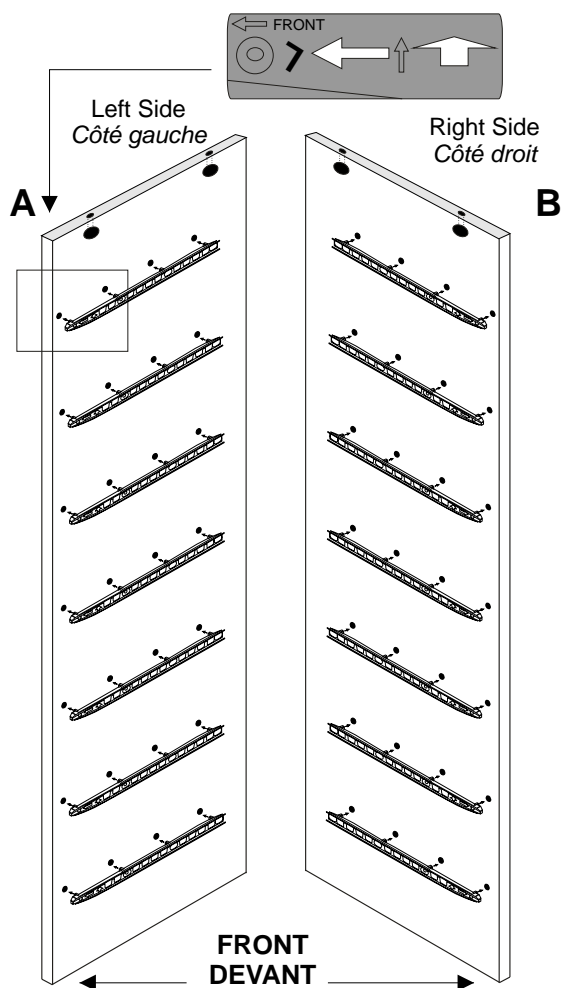

1. Separate the 3 drawer glide parts:
Séparez les pièces des coulisses de tiroirs

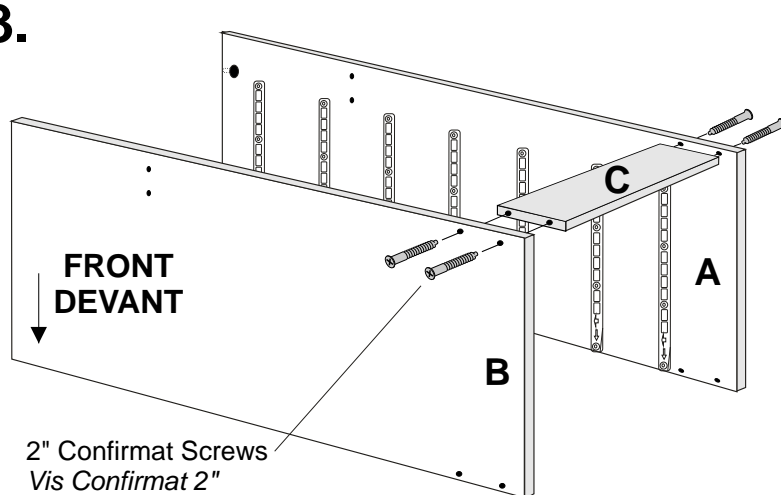

2. Important

Make sure you install the drawer glides on the correct cabinet side. Look for the arrows marked on each glide.

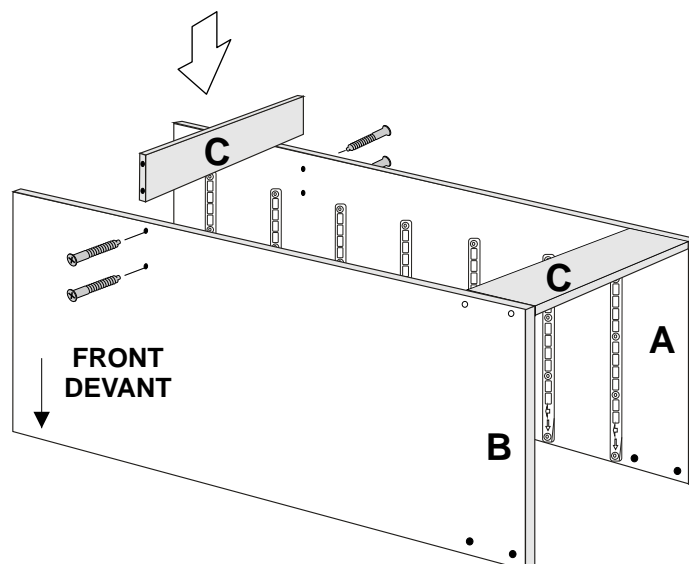

Assurez-vous de poser les coulisses de tiroirs du bon côté de l'armoire. Suivez le sens des flèches indiqué sur les coulisses.

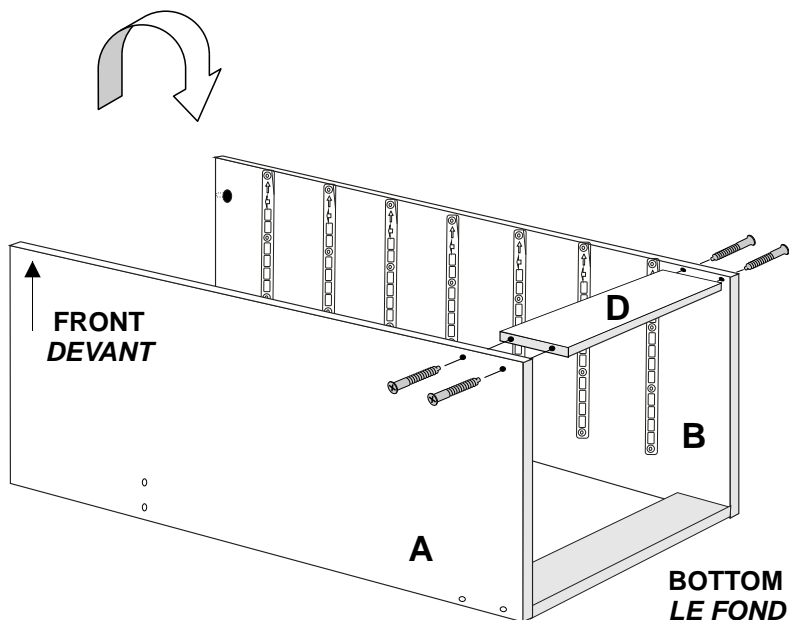

3.

4.

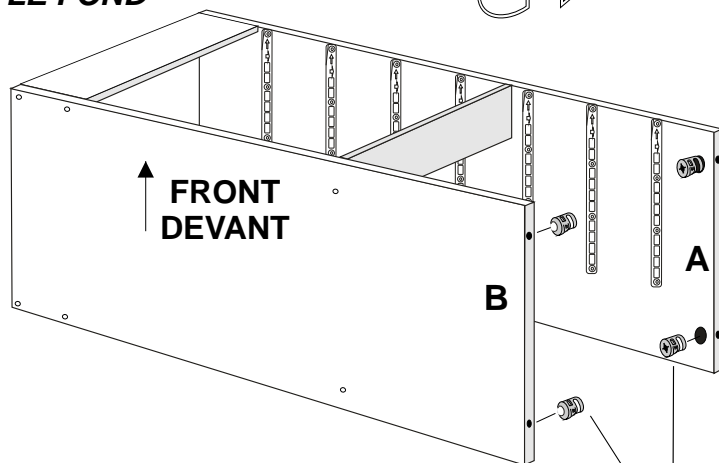

5.

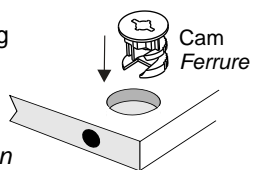

6.

BOTTOM
LE FOND

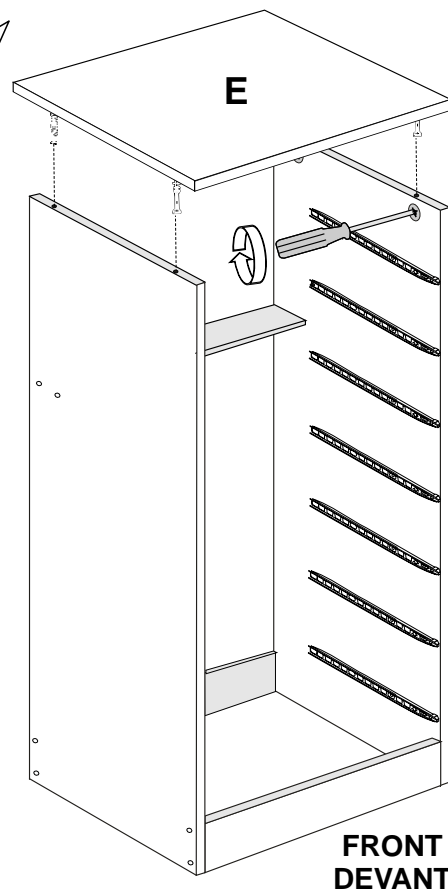

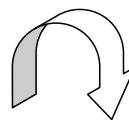

Insert cams in the **unlocked** position, with the opening facing toward the hole for the rod.

*Insérez les ferrures dans la position **déverrouillée**, de façon à ce que l'ouverture soit face au trou de la tige.*

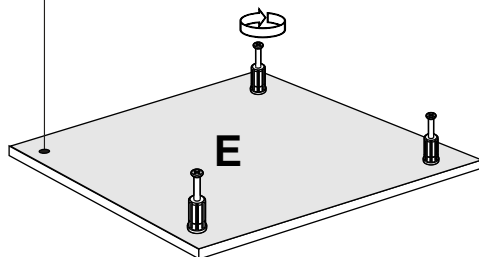

8.

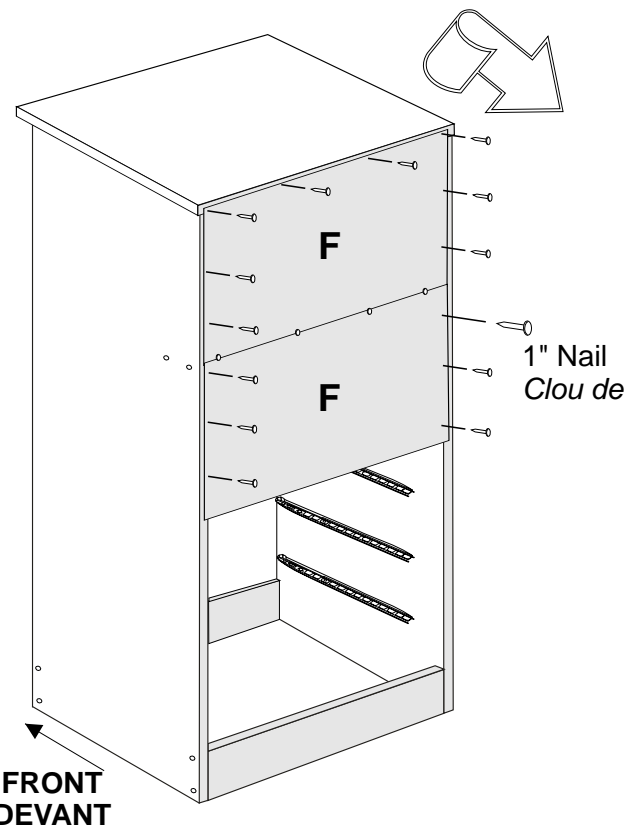

7.

34mm Black Twister Dowel
Goujon de torsion noir 34mm

9.

- 10.** Lay drawer sides flat before inserting drawer stops
Mettre les côtés du tiroir à plat avant d'insérer les arrêts

Refer to "Finishing Instructions" (LB-0010) for attaching drawer pulls
Voir la section «Finition de l'assemblage» (LB-0010) pour l'insertion des poignées des tiroirs

We recommend that you add a few drops of glue to each end of the wood dowel to securely attach the drawer front.

Nous vous recommandons de mettre un peu de colle de chaque côté du goujon de bois pour attacher solidement le devant du tiroir.
