CLEANSE & REFRESH

CHLOE

Features:

- Gentle Aerated Warm Water
- Heated Seat with Temperature Control
- Self Cleaning Dual Action Spray
- SoftClose Seat

The Chloe Washlet Streamlined for Ease and Comfort

- Gentle Aerated Warm Water
- Self-Cleaning Dual Action Spray
- Heated Seat with Temperature Control
- SoftClose Antibacterial Seat
- Easy Cleaning & Installation

The Chloe Washlet is designed with comfort and convenience in mind. An activation panel to the right of the seat puts control at your fingertips. At the touch of a button, the Chloe Washlet wand extends to provide a gentle stream of warm aerated water for dual-action front and rear cleansing. You control both the water temperature and the seat temperature, adjusting them to a comfortable warmth you choose.

Like all TOTO Washlets, Chloe draws water directly from your home's fresh water supply, so the Washlet water is always convenient and fresh. Plus, the nozzle self-cleans automatically before and after each use. All Washlet seats are made from antibacterial plastics and feature the TOTO SoftClose hinge to eliminate annoying "toilet seat slam."

Engineered with TOTO's SoftClose Seat to eliminate annoying "toilet seat slam"

The Chloe Washlet is appropriate for both men and women. Seniors, children or those with limited mobility may find it to be especially helpful. Everyone at any age can enjoy regular use.
