

LAMTON COMMERCIAL 5 YEAR LIMITED WARRANTY AND CONDITIONS

Lamton warrants to the original residential purchaser for 5 years from the date of purchase, that:

1. The design layer of the floor will not wear through, fade from normal sunlight or artificial lighting or stain under normal use conditions in a dry indoor commercial setting.
2. The floor will be free of manufacturing defects.
3. The floor joints will remain secure under normal use conditions.

Lamton Commercial Limited Warranty is made subject to the following conditions:

1. The flooring must be installed in accordance with Lamton installation instructions. Warranty does not apply if the laminate flooring has not been cleaned, maintained or cared for according to the cleaning and care instructions provided by Lamton.
2. Lamton warrants its products against manufacturing defects that exist in its products prior to product installation. Flooring installed with known defects is not covered under this warranty. All planks must be inspected for possible, recognizable defects before and during the installation as any right to claim under warranty becomes invalid after planks with visible defects have been installed. Warranty claims can only be accepted if the planks were delivered by the dealer in the original packaging.
3. The surface wear or damage must not be the result of abusive conditions, misuse of the product, freight damage, modification, alteration, repair or service of the product by anyone other than the authorized Lamton representative, improper care or maintenance (see care & maintenance instructions), or accidents, such as but not limited to severe impact, scratching, cutting, negligence or chemical damage. Gloss reduction is not surface wear. The surface wear must be readily visible from the distance of 6 feet, measuring at least 1 square inch. Wear-through at the edges of the Lamton product is excluded from the warranty.
4. The flooring must be installed in a dry, climate controlled, indoor, residential environment.
5. Lamton approved accessories **must** be used to validate water warranty.
6. Moldings and accessories are not covered by this warranty.

What happens in the unlikely event you have a claim:

To make a warranty claim, contact your Lamton dealer. Proof of purchase, including the date of purchase, must be presented to make a claim. This warranty applies only to the original purchaser and is not transferable. If a claim occurs within 5 years following the date of purchase and meets the above conditions, Lamton, at its option, will repair, replace, or refund the cost of the defective materials. Lamton will also pay reasonable labor costs to repair or replace the defective materials if a claim occurs during the first five years after installation and if the floor was professionally installed. If the product for which a claim is made is no longer available, the customer shall be able to choose from Lamton's current product range of equal value. Lamton warrants repaired or replaced products for the remainder of the original warranty period only. Lamton reserves the right to inspect the installed planks and to remove samples if needed for analysis. To make a claim under this Warranty, contact your Lamton dealer within thirty (30) days following the date of discovery or detection of a warranty claim. An original proof of purchase (including the date of purchase) must be presented when requesting warranty service. This Warranty, dated January 1, 2008, supersedes all Lamton previously issued.
