Headache Ice Pillo®, #235
Patent #5,344,437

From Head to Toe

Today's health-conscious consumers can take advantage of this product selection to address their aches and pains. From office situations to resting at home, these products can provide therapeutic relief from head to toe.

All of these products can help restore proper posture of your spine, which can help alleviate such ailments as headaches, stiffness and injury, and strains and sprains. These products accomplish this in varying ways. The design of the Tri-Core Pillow, for example, allows it to help restore proper neck posture. The Headache Ice Pillo adds cold therapy to combat migraine and tension headaches.

Our Sitback Rest and Slimrest promote proper posture in any chair, and the Leg Spacer helps relieve pressure and strain on the lower back, knees and ankles.

Choose The Right Product

Tri-Core® Pillow, Product #200, 220

Recently updated with a more durable fiber-fill and luxurious 100% cotton sateen cover, the Tri-Core is still the most requested fiber pillow in the industry. Gently supports your neck and cradles your head to help restore proper neck posture. Helps relieve tension headaches, neck muscle and joint strains, and ligament sprains.

Headache Ice Pillo®, Product #235

Medically recommended cold therapy treatment for migraine and tension headaches. Also used to relieve stiffness, sprains, injuries and pinched nerves. Great as a travel pillow.

Sitback Rest®, Product #400; Slimrest™, Product #410

Promotes proper posture in any chair while providing support and comfort for your lower back. The Slimrest offers a slimmer, relaxing contour. Use at home, office or in your car.

Leg Spacer®, Product #1100

Helps relieve pressure and strain on the lower back, knees and ankles. The hourglass shape fits between your legs and moves with you as you turn over.

Increase Your Profits

- Increase your profits in the space of a waiting room chair.
- Provide patient education to help them select the right product to complement their treatment.
- Increase patient exposure with posters for your office.
- Educate your patient with informative brochures.

Merchandising Made Easy

Display the benefits – and stimulate sales – of Specialty Products with this attractive merchandising program. Give your patients the chance to learn more about these products by displaying them in your waiting room. Use the posters and brochures (below) to educate your patients and initiate discussion and sales. This merchandising program is free with the purchase of any Specialty Display. Includes posters and tri-fold brochures with a plastic holder.

Communicate the display's unique benefits with these attractive posters. Hang them in your treatment rooms to initiate discussion and sales. Posters are free with the purchase of a Specialty Display or by request.

Educate your patients with these informative tri-fold brochures. Give your patients the opportunity to learn more about the products in this display by placing this literature holder on your front counter. You can also send them to your mailing list or insert them into monthly invoices. Brochures and a holder are free with the purchase of a Specialty Display or by request.
