

Slimrest™

Promotes Proper Posture While Sitting

- This thinner lumbar cushion helps provide relief from low back tension.
- Helps maintain proper posture when sitting.
- Provides support and relaxation for lower back.
- Versatile for use at home, office or car.

Proper Posture

The relaxing contour of the Slimrest promotes proper posture in any chair while providing support and comfort for your lower back. Thinner than our full-size Sitback Rest®, the Slimrest has gentle side-support wings to ensure ultimate comfort by helping keep you in the correct position. Use at home, office or in your car.

Durable Materials

The Slimrest is constructed from precision cut foam and covered with of a durable cotton/polyester blend. The Deluxe version has a plush polyester cover. All Slimrest cushions have with a convenient positioning belt attached.
